**MEMORANDUM OF INSTRUCTIONS FOR OFFICERS SENT TO THE
HEAD QUARTERS OF REGIMENTS OF MILITIA TO RECEIVE VOLUNTEERS
FOR THE LINE.**

War Office, 6th December, 1854.

1. THE Officer will be allowed the usual travelling expenses from his Regiment and returning thereto, the claim to be preferred on the prescribed form, and he will also be allowed 5s. a day for the period he is away from his Regiment on this duty. These allowances will be specific charges in the Pay List of the Regiment to which he belongs.

2. He is to take with him a supply of Attestations, and should he not be able to obtain a sufficient number at his Regiment, or elsewhere, he will apply to the Secretary-at-War, specifying the number he requires.

3. He is to issue to the Volunteers their Line pay at 1s. a day from the date of attestation, with Beer Money, and when finally accepted, each Volunteer is entitled to £1 out of the Bounty of £7 allowed, but this £1 is to be issued to the Man with discretion, 2s. 6d. at first, and the remainder on his being sent to his Regiment, unless specifically required earlier.

4. The Volunteers are to be sent to their respective Regiments under routes escorted by a steady Serjeant of a Regiment of the Line in the Garrison, or of the Militia, as may be arranged, who will be entitled to 2s. 6d. Conducting Money for each Volunteer, to be paid to him when the Man is delivered over to his Regiment.

5. The necessary funds to meet the expenses on the route are to be advanced by the Officer to the Conducting Serjeant, and in all practicable cases the Men are to be forwarded by Railway to their destination.

6. The Officer is to forward to the Regiment to which the Men are sent a clear and specific statement of the sums issued or advanced by him, showing the detail for each Man, and as all charges for these Volunteers from the date of attestation for the Line are to be made in the accounts of the Paymaster of the Regiment, or Paymaster of the Depôt of the Regiment to which they have volunteered, such Paymaster is to reimburse to the Officer the amount of such advance.

The funds required temporarily by the Officer to meet the several disbursements are to be obtained by him from the Paymaster of his own Regiment by draft or otherwise, but no charge is to be made in such Paymaster's accounts, the money being only an advance to be repaid by the Officer when he shall be reimbursed his expenditure by the remittances from the respective Regiments to which Volunteers are sent by him.

The allowance of 10s. to the Militia Serjeants of the Regiments from which the Men volunteer, for each Man *finally approved*, is to be remitted by the Paymaster of the Regiment receiving the Volunteers direct to the Officer commanding the Regiment of Militia.

I am directed to transmit to you the accompanying copy of a Circular Letter, dated 20th November, which has been addressed to the Colonels of the embodied Regiments of Militia named in the margin, by which you will perceive, that all men who may transfer their services from such Regiments to the Regular Force therein referred to, will be entitled to a Bounty of £7 in cash and Necessaries, which will of course be payable by the Regiment or Corps into which they enlist.

As these men will all be Volunteers, Bringing Money, is not properly payable to the Recruiting party, but a sum of 15s. will be specially allowed to be equally divided between the Serjeants of the Militia Regiment and the Line Recruiting party, when the latter is employed, for each man who may transfer his services to the Regiment under your command, and be finally passed for the same; but when no Recruiting party is employed, the Militia Serjeants will be allowed 10s. for each man finally approved.

Such men will be allowed to bring away their necessaries, and such old clothing as may be requisite, but not their new Militia clothing, nor the Summer Trousers, Knapsack and Shaks, which have been provided by the public.

War Office, 20th November, 1854.

THE rapid augmentation of the Regular Army being at this moment of urgent importance, it has become necessary to call upon all embodied, as well as disembodied, Militia Regiments to give as many volunteers as possible to the Regiments of Guards and Line, and to the Royal Marines.

In taking this step, the Government is aware that the efficiency of your Regiment will, for a time, be considerably impaired by the sudden loss of a large proportion of highly trained men, whom you will have to replace by raw recruits, but at this moment the maintenance of the efficiency for im-

mediate service of regiments raised especially for home duty, important as it is, must yield to the necessity of strengthening to the utmost that portion of Her Majesty's forces which are engaged in the operations of war abroad; and, upon an occasion like the present, I am confident that the same spirit which has induced you to devote yourself so successfully to the formation of the regiment under your command will secure to the Government your assistance and co-operation in strengthening Her Majesty's Regular Forces by drafts from your Regiment.

It is intended to limit the demand thus to be made on Militia Regiments to Twenty-five per centum on their strength, amounting in the case of the Regiment to

Recruiting parties will be forthwith directed to proceed to your head quarters in order to recruit volunteers.

It is proposed to give a priority to the Recruiting parties from those Regiments which have a county connection with your Regiment, provided such Regiments form a part of the force under Lord Raglan's orders, but men will be at liberty to join other Regiments, or the Marines, if they prefer it.

The Guards will be allowed to send parties to Regiments generally, their standard not enabling them to obtain enough recruits from any corresponding number of Militia Regiments. The Marines will likewise send parties.

All these parties will be recalled immediately the number to be raised shall have volunteered.

The men will be offered a bounty exceeding by One pound the augmented bounty authorized for ordinary recruits, namely £1 in addition to £6 or £7 in all.

Though the limits of twenty-five per cent. is placed on the number of men whom the recruiting parties will be empowered to raise, any larger number of men will be accepted, provided you are willing, with a view to further the public service in this emergency, to consent to their discharge.

The General Commanding in Chief, sensible of the great exertions which have been made by Militia Officers to bring their Regiments to their present high state of efficiency, and of the sacrifice which they are now called upon to make, has authorized me to state that he is prepared to place at your disposal for any Officer in your Regiment, whom you may wish to name, an Ensigny in the Line without purchase for the first Seventy-five men who shall volunteer from your Regiment and have been passed and accepted in the Regulars or Marines, and another for the second Seventy-five, and a third Ensigny for a third Seventy-five, if the strength of your Regiment enables you to give them.

You will take the necessary measures in your county to recruit your Regiment again to its numbers after it shall have been reduced by volunteering to the Line.

I have the honour to be,

Sir,

Your most obedient,

Humble Servant

SIR,

It being highly desirable that the approval of Recruits forwarded from the several Recruiting Districts to the Head Quarters of Regiments or Depôts should be notified to the Districts, and the rewards to the Recruiting Parties on final approval should be remitted to the District Paymaster without any loss of time, so as to obviate any inconvenience and discouragement to the Recruiting Service from delay in payment, I am directed by the Secretary at War to request that you will give instructions for securing strict attention to this duty on the part of the Paymaster under your command.

Horse Guards, 9th December, 1854.

THE QUEEN has been pleased to command that, as a mark of Her Majesty's recognition of the meritorious services of the Non-commissioned Officers of the Army under the command of Field Marshal Lord Raglan, in the recent brilliant operations in the Crimea, the Field Marshal shall submit, through the General Commanding-in-Chief, the name of one Serjeant of each Regiment of Cavalry, of the three Battalions of the Foot Guards, and of every Regiment of Infantry of the Line, to be promoted to a Cornetcy or Ensigncy, for Her Majesty's approval; and with the view to render immediately available the services of these meritorious men, Her Majesty has directed that the Field Marshal do appoint, provisionally and pending Her Majesty's pleasure, the Serjeants so recommended to Regiments in the Army under his command; and Her Majesty has further been graciously pleased to signify her intention that, on the several recommendations receiving Her Majesty's approval, the Commission shall in each case bear date the 5th November, 1854.

*War Office, 14th December, 1854.***SIR,**

HER MAJESTY having been graciously pleased to extend her previous Royal Warrants, for the special purpose of granting Rewards for distinguished and meritorious Service, and gallant Conduct in the Field, I am directed to transmit herewith a copy of a warrant which has been issued for that purpose, and to request that you will immediately make it known to the Regiment under your command.

The Serjeant to be selected for the Annuity of £20, is to be the individual whom you may consider most deserving of such a reward, and which when granted is at once to be at his own disposal, though he may be still serving.

I am further directed to observe that in selecting individuals for the Gratuities to be awarded for distinguished Service or gallant Conduct in the Field, you are not to be fettered in your selection by any consideration as to length of Service, the General Good Conduct of the individual, (and especially in the late operations,) being alone the qualification to entitle him to this Reward.

Our Secretary at War; And whereas We deem it expedient to mark Our Sense of the Distinguished, Gallant, and Good Conduct of the Army serving in the East under the command of Field Marshal Lord Raglan, Our Will and Pleasure is, that one Serjeant in each Regiment of Cavalry and Infantry and of each Battalion of the Foot Guards, and of the Rifle Brigade, serving in the East, in the Crimea or elsewhere, under the command of Field Marshal Lord Raglan, shall be selected by the Commanding Officers and recommended to Us for the grant of an Annuity not exceeding £20, provided that the aggregate of grants now made, and to be made, shall not exceed £4,000 in any one year.

The Annuity so granted is to be at the disposal of such Serjeant, although he may be still in Our Service.

It is also Our Will and Pleasure to extend the provisions of Our Royal Warrant of the 13th April, 1854, and with the special view of marking Our Sense of the Distinguished Service and Gallant Conduct in the Field of Our Army now serving in the East, in the Crimea or elsewhere, under the command of Field Marshal Lord Raglan, to order and direct that the Commanding Officer of each Regiment of Cavalry shall be allowed to recommend one Serjeant, two Corporals, and four Privates, and the Commanding Officer of each Regiment of Infantry and of each Battalion of Foot Guards, and of the Rifle Brigade, shall be allowed to recommend one Serjeant, four Corporals, and ten Privates, to receive a Medal and a Gratuity of

War Office, 18th December, 1854.

SIR,

Circular Letter, No. 1169, dated War Office, 7th December, 1854, addressed to Officers Commanding Regiments, &c. WITH reference to the Circular Letter quoted in the margin, and other instructions recently issued for the Volunteering from the Militia to the Regular Forces, I am directed to call your special attention to the following points:—

The greatest care should be taken to distinguish between Volunteers from *Embodied* and *Disembodied* Regiments of Militia, it being borne in mind that the more recent regulations have reference to the *former class only*.

Volunteers from the *Disembodied* Militia are to be treated in all respects as ordinary Recruits, for whom the scale of levy money communicated in the Horse Guards' General Order of 30th October last is applicable.

Volunteers from the *Embodied* Militia, when they cannot be immediately forwarded to their respective corps, and are necessarily taken into your payment, are to be treated as detachments passing *through* the district, and not as Recruits raised in the district. They are entitled to beer money in addition to the ordinary rate of pay, and No. 1 Reports should be furnished to you by the Militia Regiments, which should show that their dates of enlistment agree with those of their discharge from the Militia.

Superintending Officers and district parties, unless the latter have in any case been specially ordered to proceed to the Head Quarters of Militia Regiments to effect the volunteering, will not be entitled to rewards for these men, and *no charge* on account of their levy money is to be included in the district accounts, any sums which may be issued by you on account of levy money being notified as advances, and recovered accordingly from the several regiments into which the men volunteer.

I am,

Sir,

Your obedient Servant,

MEDICAL EXAMINATION OF RECRUITS.

68,300

Gen. No.

119

War Office, 5th January, 1855.

SIR,—I am directed to acquaint you that the Secretary at War, having taken into consideration the system under which Medical Officers have been held liable for the expenses attending the enlistment of Recruits, improperly passed by them as fit for Military Service, has been pleased, after communi-

cation with the General Commanding in Chief and the Director General of the Army and Ordnance Medical Department, to direct that in future they shall not incur any pecuniary responsibility for the exercise of their judgment in the discharge of this duty, excepting only in such cases of manifest carelessness as in the opinion of the Director General require that such responsibility should be enforced, and that, with regard to Recruits not examined by Military Medical Officers, the following terms are to be made with the private Practitioner employed on such examination :—

1. For each Recruit whom he examines and pronounces fit for a Military Service, he is to receive no fee at the time of examining the man, but is to be furnished with a certificate on the annexed Form* from the Officer or Non-commissioned Officer in charge of the Recruiting party, which shall entitle him to receive a fee of four shillings, provided the Recruit shall be finally approved at the head quarters of the district, or of his corps, if sent thither direct, for which he is to give a receipt on the Form† annexed, returning the Certificate, both which documents are to be annexed to the Paymaster's Accounts in support of the charge against the public.

2. In the case of a Recruit pronounced fit for the service by the Private Practitioner, but deserting prior to being medically approved at the District or Regimental Head Quarters, or in case of his being rejected there for other than Medical disabilities, a fee of 2s. 6d. is to be paid to the Medical Practitioner who passed such Recruit.

3. If the Recruit passed by the Medical Practitioner be rejected on Medical grounds, at the District or Regimental Head Quarters, no fee is to be paid to him for the examination.

4. For any Recruit who is medically examined by the Medical Practitioners, and shall be rejected by him as unfit for the service, he is to receive the fee of 2s. 6d. as heretofore.

5. While consenting to relieve Military Medical Officers from pecuniary liabilities in passing Recruits, and to grant an increased payment to Private Practitioners for Recruits properly passed by them into the Army, the Secretary at War trusts, that all professional men engaged in the important duty of examining Recruits for the Military Service will co-operate with him for the good of the Public Service, and carefully observe the rules laid down for their guidance in such examination.

6. The enlistment expenses of any rejected Recruits will, under these arrangements, be admitted in the Paymaster's Accounts, without special authority, if duly supported by the usual vouchers, but you will be pleased to direct, that in every case in which a Recruit, passed by a Military Medical Officer, shall be rejected for Medical causes, at the Head Quarters of the District, or of his Corps, if sent thereto, the man's attestation, with a full explanation of the grounds of rejection, shall be transmitted without delay to the Director General of the Army and Ordnance Medical Department, and that at the end of each quarter a statement be furnished to this office, showing the name, &c. of each recruit rejected, on the same grounds, after being passed as fit by a Private Medical Practitioner, together with the name and address of such Practitioner, for the Secretary at War's information.

7. When there is no Medical Officer present with a Dépôt, at which Recruits are finally approved, and a Private Medical Practitioner is in charge,

* 334 B.

† 334 A.

receiving for his attendance the regulated weekly allowance, he will, in addition thereto, be entitled to 2s. 6d. for every recruit he examines previous to final inspection by the Commanding Officer, except for any Recruit previously examined by him for a recruiting party, and for whom he will have been already paid, in accordance with the preceding part of this regulation.

8. You will be pleased to ascertain that every Private Medical Practitioner who is employed in the examination of Recruits is in possession of the printed rules for the performance of that duty, and to apply to this office for a copy of the same whenever required.

I have the honor to be, Sir,

You most obedient

humble Servant,

**REVISED SPECIAL INSTRUCTIONS FOR CARRYING INTO EFFECT THE
VOLUNTEERING FROM THE MILITIA TO THE CAVALRY, FOOT GUARDS,
INFANTRY OF THE LINE, ORDNANCE CORPS AND MARINES.**

CIRCULAR.

Horse Guards, 17th January, 1855.

1. ON all occasions of volunteering being sanctioned from Regiments of Embodied Militia, the same will be notified to the General Officers commanding districts, who will detach a steady Officer to each Corps, for the purpose of receiving the Volunteers; he will be accompanied by a Non-commissioned Officer, and their arrival at their Station must be so regulated as to have every necessary arrangement prepared previously to the day on which the volunteering is to commence.

2. The number of Men which the respective Regiments of Militia will be required to furnish is in the proportion of 25 per cent. of their embodied establishment. Regiments not completing their quota on the day fixed for the volunteering, will be allowed a further period of seven days for furnishing the number; after which the Superintending Officers will return to their Regiments, reporting to the General Officer Commanding the District, and transmitting through the same channel, for the General Commanding-in-Chief's information, a Return, according to the annexed form, of the number of Men who have been released from their Militia engagement, showing the Regiments to which they belonged, and those for which they volunteered; together with separate nominal returns of the Volunteers for each Regiment. In the event of the quota being still incomplete, the volunteering will recommence, as may be afterwards directed, and will be repeated from time to time, until the prescribed number of Volunteers shall be furnished.

3. The Men will be permitted to volunteer for any of the Regiments of Cavalry, Artillery, Sappers and Miners, Foot Guards, Infantry and Royal Marines.

4. No Militia Soldier who may be in confinement, or under sentence of a Court Martial, is to be permitted to volunteer, without the consent of the Officer commanding the Regiment to which he belongs.

5. No Militia Soldier employed as Orderly Room Clerk, Drummer, or belonging to the Band, or Armourer, is to be permitted to volunteer, without the consent of the Officer commanding the Regiment.

6. The Superintending Officers and the Medical Officers, appointed to inspect the Men of the Militia desirous of volunteering, are to be particularly careful not to approve any Man labouring under any infirmity, or who is not fit for immediate and active Service;—no Man under 5 feet 6 inches in height is to be received for the Guards,—for the Cavalry under 5 feet 6½ inches,—or for the Infantry of the Line under 5 feet 4 inches in height,—or who is above 30 years of age.

7. Officers commanding Militia Regiments are strictly enjoined to afford every facility to the volunteering of their Men; and, in case they should refuse to discharge any Private who shall be desirous of volunteering, they will transmit their reasons, in writing, for such refusal to the General Commanding the District, for reference to Head Quarters.

8. The Superintending Officers will take care that the Volunteers are regularly discharged from the Militia,—that their accounts are closed,—that every just claim is satisfied,—and that they are attested for the Regiment into which they have volunteered, according to the forms prescribed by the Mutiny Act.

9. The Superintending Officers will apply to the General Officers commanding Districts for routes to march the Volunteers to the Cavalry, Foot Guards and Infantry of the Line, to their respective destinations, under the charge of a steady Serjeant, either of the Line or of the Militia, as soon as the period of volunteering has expired. In the case of Men extending their services to Regiments in the same Garrison, or in the immediate vicinity, they are to be permitted to join their new Corps as soon as they are attested; but the Volunteers for the Artillery, Sappers and Miners, and Marines, are to be handed over to the Officers or recruiting parties of those Corps, should any be present to receive them.

10. The Volunteers are to take with them their necessaries and such old clothing only as can be furnished, and may be requisite,—and their summer trousers when absolutely necessary; but their new clothing, knapsacks and chakos, are to be left at the Regiment.

11. One pound in cash will be issued to each Man when accepted; the remainder of his bounty will be credited to his account in the Regiment to which he shall volunteer.

12. Officers and parties employed on the Recruiting Service are not to be called upon to assist in this duty, as the volunteering must not be permitted to interfere with the regular Recruiting for the Army.

13. No allowance will be granted to Officers employed in this manner, beyond the regulated allowance for Officers away from their Regiments on duty.

14. The names of Officers employed on this duty will be notified to the Adjutant-General. A sum of 10s. for each Man finally approved will be allowed to the Militia Serjeants of the Regiments from which the Men volunteer, except in cases where recruiting parties may be specially permitted to be employed, when the sum of 15s. will be allowed, viz.,—7s. 6d. to the Militia Serjeant, and 7s. 6d. to the recruiting party for each Man finally approved.

15. These revised Instructions are to be substituted for, and observed instead of, those contained in the Circular dated 2nd ultimo, which is to be considered as cancelled.

By Command, G. A. WETHERALL,
Adjutant-General.

VICTORIA R.

WHEREAS it is expedient to establish a more perfect system of Land Transport of Our Army in the field, Our will and pleasure is that a corps, to be denominated a "Land Transport Corps," shall be established as a part of Our Regular Land Forces, and shall be charged with the Land Transport of all stores, supplies, and necessaries at all times required by Our Army in the field.

It is Our further will and pleasure that this corps shall consist of such number of Europeans and others, and shall receive such rate of pay and allowances, as Our Commander-in-Chief and Our Secretary-at-War for the time being shall from time to time determine.

It is also Our will and pleasure, that notwithstanding the attestation for ten years of the Europeans to be appointed to this corps, Our Secretary-at-War for the time being is authorized, and he is hereby required, to sanction the discharge of any man at his own request, if he shall have served for five years from the date of his attestation, or at any earlier period, if the present war shall have been terminated by the signature of a definite Treaty of Peace.

Given at Our Court of St. James's, this Twenty-fourth day of January, One thousand eight hundred and fifty-five, in the eighteenth year of Our reign.

MEMORANDUM.

The death of Staff Surgeon, 2nd Class, G. Saunders was reported in the obituary of last month's Army List, in consequence of his name having been erroneously included in a list of casualties received from the Crimea on the 27th January.

MEMORANDUM.

Every Officer applying to the SECRETARY AT WAR to be appointed a Staff Officer of Pensioners, should distinctly answer the following :—

- 1st. Present Age, and whether on Full or Half Pay, and if at home or abroad?
 - 2nd. Whether he has completed Twenty-one Years' Service; and if so, in what Corps?
 - 3rd. Date of Commission as Captain, and whether his appointment would involve Brevet Rank?
 - 4th. If on Half Pay, did he receive a difference which he is bound to repay? Did he retire at his own request, or from bad health or wounds?
 - 5th. Has he ever served as Adjutant or Paymaster, or held any other appointment on the Staff likely to qualify him for the duties he would have to perform?
 - 6th. Can he produce Certificates of ability and fitness for the appointment in question from Officers under whom he has served?
-

Militia.

OFFICERS COMMANDING MILITIA REGIMENTS *are requested to forward to the SECRETARY-AT-WAR a List of the Officers of their respective Regiments who may have died, resigned, or retired from the Service, also a Statement of the Officers who have served in Her Majesty's Army, or that of the East India Company, previously to their appointment to the Militia, showing the last rank held by them and the particular Regiment in which they served.*

N.B. All Communications regarding Deaths, (more particularly of those Field Officers who have retired from the Army, but whose Names are specially allowed to be retained, and of Officers having Local Rank,) Errors or Omissions, which may be discovered in this, or in the ANNUAL Army List (which is also published by AUTHORITY), should be addressed, verified by *real Signature*, to "The Right Honorable THE SECRETARY AT WAR," marking the words "*Army List*," on the corner of the cover.

No Army Lists, except the ANNUAL published by Messrs. Clowes, and the MONTHLY by Messrs. Parker & Co., ARE AUTHORIZED BY THE WAR OFFICE.

REGULATIONS RESPECTING FOREIGN ORDERS.

1st. THAT no British Subjects shall accept a Foreign Order, or wear its Insignia, without having previously obtained a Warrant under the Royal Sign Manual, (directed to the Earl Marshal of England,) granting them His Majesty's permission to accept and wear the same.

2nd. That the intention of a Foreign Sovereign to decorate a British Subject with the Insignia of such Order, shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3rd. That when his Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. That when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations of the King, His Royal Highness the Prince Regent deemed it expedient to announce, in the year 1812,—

5th. "That no Subject of His Majesty could be allowed to accept the Insignia of a Foreign Order from any Sovereign of a Foreign State, except they shall be so conferred in consequence of active and distinguished services before the Enemy, either at Sea or in the Field; or unless he shall have been actually employed in the Service of the Foreign Sovereign."

And in March, 1813, His Royal Highness was pleased to command that the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:

6th. "That His Majesty's license and permission doth not authorize, and shall not be deemed or construed to authorize, the assumption of any style, appellation, rank, precedence, or privilege appertaining unto a Knight Bachelor of these Realms."

N.B.—Before the Principal Secretary of State for Foreign Affairs takes the Prince Regent's pleasure on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander-in-Chief, through his Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to the Prince Regent's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to the Prince Regent's pleasure being taken thereon.

(Signed) CASTLEREAGH.

Her Majesty has been pleased to direct,—

7th. "THAT if the Service for which it is proposed to confer the Order has been performed during War, the Notification required by the 2nd Regulation must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

"If the Service has been performed in time of Peace, the Notification must be made within two years of the date of such Service."

8th. "When a British Subject has received the Royal Permission to accept a Foreign Order he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred."

Foreign Office, August 22, 1843.

(Signed) ABERDEEN.

The Queen has made known her pleasure,—

9th. "THAT the 8th Clause of the Regulations respecting Foreign Orders shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by her predecessors, Their Majesties King George IV. and King William IV., on whose Heads the Crowns of Great Britain and Hanover were united.

"Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for Services rendered according to the purport of the 5th Clause of the Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to Services rendered to the Foreign Crown of Hanover."

Foreign Office, July 6, 1846.

(Signed) ABERDEEN.

REGULATIONS RESPECTING FOREIGN MEDALS.

The Queen has been pleased to direct that:

1st. "APPLICATION for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality."

2nd. "Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn."

Foreign Office, January 24, 1851.

(Signed) PALMERSTON.

CIRCULAR, No. 1177.

SIR,

War Office, 24th February, 1855.

THE Secretary at War, having had under consideration the rate of Stoppage required from Officers while under treatment in Hospitals abroad, heretofore taken at 3s. a day, I am directed to acquaint you that, taking into consideration the limitation lately assigned to the rate of Stoppage from Soldiers when in Hospital, either from disease contracted, or from wounds received while on active service in the field before an enemy, it has been determined, that all Officers belonging to an Army on active service in the field shall be subject only to a Stoppage at the rate of one shilling a day, whether the Officer's treatment shall arise from sickness or wounds. This rate of Stoppage to take effect from the 1st April last. I have to add that, in regard to Officers on the Staff of the Army, the above-mentioned Stoppage should be paid into the commissariat chest on the station where the Hospital may be situated, a proper return, signed by the medical officer, being annexed to the accounts; but that the Stoppages due from Regimental Officers should be paid over to the Paymasters of Regiments or Depôts, and credited in the general states of their Pay Lists separately, in the same page with those due from the Men, similar returns being annexed in support of such credits.

I have the honor to be, Sir,

To Officers commanding
Regiments at home and abroad.

Your most obedient Servant,

B. HAWES.

SIR,

War Office, 12th March, 1855.

I HAVE the honor, by the Secretary at War's direction, to acquaint you that, in order to facilitate the organization of the Militia, it has now been decided, with the concurrence of the General Commanding in Chief, that Soldiers may be transferred from the regular Army to the permanent Staff of Embodied Regiments of Militia, after a period of 18 years Line Service, instead of 20, the limit previously fixed, receiving in their Militia Regiments the Allowances heretofore granted. I am to add, that in the

case of each Non-Commissioned Officer or Private so transferred, the Secretary at War will be prepared to sanction the undermentioned Allowances being paid in the Line Regiment, in the manner pointed out in the enclosed Memorandum from the Adjutant General, dated the 12th ultimo, until the Man shall have completed the term of 21 years' service, entitling him to discharge to pension, viz.

If a Serjeant, 1*s.* a day.

If a Corporal, 9*d.* a day.

If a Private, 7*d.* a day.

I have the honor to be, Sir,

To Officers commanding

Your obedient Servant,

P.S.

MEMORANDUM.

Horse Guards, 12th February, 1855.

THE General Commanding in Chief, being desirous of affording to the Embodied Militia greater facilities in completing their permanent Staff from the Regular Forces, is pleased to approve of the period of Line Service, required from Men who wish to be transferred to the "Embodied" Militia with the consent of their Commanding Officers, being reduced to 18 years, instead of 20 years, as heretofore; and the Secretary at War having sanctioned the grant of the under-mentioned Allowances, until the Non-Commissioned Officers and Men so transferred have completed the term of 21 years' service, entitling them to discharge, viz.

A Serjeant, 1*s.* a day.

A Corporal, 9*d.* a day.

A Private, 7*d.* a day.

Viscount Hardinge, with the view of encouraging young Soldiers to qualify themselves as Drill Instructors, directs that these Allowances, for the period as above limited, shall be given to such Men only as shall be appointed Drill Instructors, in lieu of those transferred to the Militia.

By Command,

G. A. WETHERALL,

Adjutant General.

CIRCULAR, No. 1180.

SIR,

War Office, 19th March, 1855.

It having been represented that some Regimental Officers serving in the Crimea are desirous of the opportunity of drawing from the Paymaster only the portion of their Pay sufficient to meet their immediate requirements, so as to avoid the risk of having money unnecessarily in their

hands, I am directed by the Secretary at War to acquaint you that, with a view to meet the wishes of Officers with the Army now on service in the Crimea, the Regulation, Article 127 of the Explanatory Directions, is suspended in those cases in which an Officer shall notify, in writing, to the Paymaster his desire to draw only a portion of his Pay. The Officer in making such notification will specify, as nearly as may be, the proportion he will probably require per Month, and the Paymaster is so to regulate his drafts on the Military Chest as to prevent the unrequired Pay from being drawn out of the Military Chest.

The Paymaster will meet the Officer's requisitions for Money on account of his personal Pay accordingly, and will charge in his Quarterly Statement of Pay to be accounted for by the Agent (A 2, Form 27, of the Pay List) only the amount actually issued to the Officer, annexing to such Statement a separate Memorandum showing the amount drawn by the Officers respectively for the period of such Statement, and the amount that remains to be subsequently claimed, and also annexing a duplicate of such Memorandum to the duplicate Statement required by Circular No. 1009, as a Voucher for the Pay List.

I am to add, that the Balance remaining undrawn is to be carried on in the Memorandum from Quarter to Quarter, so as to show, until the final adjustment of the account, the amount of Pay that remains due to the Officer.

The arrangements in this Letter are not applicable to Officers who draw their Pay from the Agent.

I have the honor to be, Sir,
Your most obedient Servant,

To Officer Commanding
the — Regiment.

CIRCULAR, No. 1181.

2.

SIR,

War Office, 20th March, 1855.

It appearing that in very numerous instances Soldiers have been sent from their Regiments on service in Turkey and the Crimea to the Military Hospitals in the East, and from these again to England, or back to their Regiments, without any report being furnished to the Paymasters, by whom they were next to be subsisted, of the dates to which their Pay would be charged by the Paymasters who had previously subsisted them, nor of the rates of Pay and Good Conduct Pay to which they were severally entitled, I am directed to request that you will call upon the Paymaster, or Officer doing duty as Paymaster to the Regiment under your command, to make up on the printed Form enclosed, and transmit to this Department with all practicable dispatch, a Roll specifying in alphabetical order, according to ranks, the particulars required by the Form of every Soldier who has died or has quitted the Regiment since its departure for Turkey or Greece and the Crimea, whether from this country or from any Station in the Mediterranean.

As this document will be required for the correct adjustment of numerous claims to arrears of pay which have been and will be preferred on the part

of such of these men as have been sent home, as well as on the part of the representatives of such as have died, it will be obvious to you that this Roll should in all its particulars be accurately prepared, and I am therefore instructed to request that you will give directions to the Paymaster or Acting Paymaster, as well as to the Officers commanding Troops or Companies of the Regiment under your command, to be as careful in its preparation as circumstances will admit of, and that you will give your best assistance to the same effect.

I am more particularly to draw your attention to the necessity of accurately distinguishing in the Roll, by means of the separate columns prescribed, the date to which the Pay of the men has been or is intended to be charged in the Paymaster's Accounts, and the dates to which the said Pay has been actually credited to the men's accounts; also to Column B, for exhibiting the balance due on each man's account according to the credit so given, so that the amount due to the men shall be correctly ascertained and paid to those entitled.

As it is probable that in many instances a portion of the Pay charged for the complete month or quarter in the Paymaster's Accounts has not been paid to the Officers commanding Troops or Companies, or, if paid, has been by them returned to the Paymaster, I am to request that the sums so arising to be stated in Column A may be most carefully ascertained.

As the sums to be specified in Columns A or B should be credited in the Paymaster's Accounts, I am to request that you will cause such credits to be given accordingly, if not already done, and that the Pay-List in which the credits have been or are intended to be given may be stated against each sum in the column of Remarks.

I am instructed to request that the particulars required by Article 35 of the Explanatory Directions, Paragraph 5, may be invariably stated in the Column of Remarks against men of the same name.

The Roll required is to include the particulars of all cases up to 31st instant, and a separate similar return is to be sent monthly in future, but the Secretary at War trusts that you will give orders that the Regulations of the Service may be most strictly attended to in future, by furnishing full and complete Reports, whenever a Soldier shall quit the Regiment, to the Paymaster by whom he is next to be subsisted.

I have the honor to be, Sir,
Your most obedient Servant,
B. HAWES.

War Department, 23rd March, 1855.

A CASE having been submitted to the Law Officers of the Crown to ascertain whether Militia Men enrolled under the 15th & 16th Victoria, cap. 50, can be required to serve beyond fifty-six days with a Regiment embodied under the 17th Victoria, cap. 13, I have the honor to acquaint you, that the result of the submission is to confirm me in my opinion that Militia Men enrolled under the 15th & 16th Victoria, cap. 50, can be required to serve beyond fifty-six days with a Regiment embodied under the

I have the honor to be
 Your most obedient humble Servant,
 PANMURE.

Officer commanding
 Regiment of Militia.

War Department, 27th March, 1855.

I INFORMED you in my Circular of the 23rd instant that no doubts exist as to the legal obligation of all Men in the ranks of the Embodied Militia to complete their term of Service under the Act of 1854, although they may have been enrolled under a previous Act of Parliament.

Still an impression appears to exist in many Regiments that a different expectation was held out to the Militia Men at the period of the passing of that Act.

I hold it to be of essential importance to keep faith with the Soldier in all cases, as it tends to confirm his confidence in those by whom he is employed and to reconcile him to a cheerful discharge of the duties of his profession; and, therefore, although I cannot recognize any claim of right on the part of any Man in your Regiment enrolled previously to the 12th May, 1854, to a release from his engagement, I have to desire that you will cause all such Men to be re-attested for the completion of their five years' Service, with an offer of an additional and immediate Bounty of 20s. to all such as shall consent to such re-attestation.

All Men who refuse to be attested may, on the completion of their Service of fifty-six days, be permitted to return to their homes on leave of absence; but they will be required to attend the Regiment for fifty-six days in every year until the expiration of their original engagement.

You are further authorized to discharge altogether any Married Men (with large families) so enrolled whose presence may be essentially required for the maintenance of their families.

Under the above act of grace there will, I have reason to believe, from the excellent spirit hitherto shown by the Militia in coming forward, not only for the Home defence of the Country but in volunteering for Foreign Service, be but few Men who would wish to discontinue their Embodied Service.

I have the honor to be,
Sir,

Officer commanding
 Regiment of Militia.

Your most obedient Servant,
 PANMURE.

REGULATIONS RESPECTING FOREIGN ORDERS.

1st THAT no British Subjects shall accept a Foreign Order, or wear its Insignia, without having previously obtained a Warrant under the Royal Sign Manual, (directed to the Earl Marshal of England,) granting them His Majesty's permission to accept and wear the same.

2nd. That the intention of a Foreign Sovereign to decorate a British Subject with the Insignia of such Order, shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3rd. That when His Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. That when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations of the King, His Royal Highness the Prince Regent deemed it expedient to announce, in the year 1812,—

5th. "That no Subject of His Majesty could be allowed to accept the Insignia of a Foreign Order from any Sovereign of a Foreign State, except they shall be so conferred in consequence of active and distinguished services before the Enemy, either at Sea or in the Field; or unless he shall have been actually employed in the Service of the Foreign Sovereign."

And in March, 1813, His Royal Highness was pleased to command that the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:

6th. "That His Majesty's license and permission doth not authorize, and shall not be deemed or construed to authorize, the assumption of any style, appellation, rank, precedence, or privilege appertaining unto a Knight Bachelor of these Realms."

N.B.—Before the Principal Secretary of State for Foreign Affairs takes the Prince Regent's pleasure on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander-in-Chief, through his Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to the Prince Regent's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to the Prince Regent's pleasure being taken thereon.

(Signed) CASTLEREAGH.

Her Majesty has been pleased to direct,—

7th. "THAT if the Service for which it is proposed to confer the Order has been performed during War, the Notification required by the 2nd Regulation must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

"If the Service has been performed in time of Peace, the Notification must be made within two years of the date of such Service."

8th. "When a British Subject has received the Royal Permission to accept a Foreign Order he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred."

Foreign Office, August 22, 1843.

(Signed) ABERDEEN.

The Queen has made known her pleasure,—

9th. "THAT the 8th Clause of the Regulations respecting Foreign Orders shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by her predecessors, Their Majesties King George IV. and King William IV., on whose Heads the Crowns of Great Britain and Hanover were united.

"Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for Services rendered according to the purport of the 5th Clause of the Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to Services rendered to the Foreign Crown of Hanover."

Foreign Office, July 6, 1846.

(Signed) ABERDEEN.

REGULATIONS RESPECTING FOREIGN MEDALS.

The Queen has been pleased to direct that:

1st. "APPLICATION for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality."

2nd. "Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn."

Foreign Office, January 24, 1851.

(Signed) PALMERSTON.
